

Xerox® DocuMate® 4830 Scanner

Versatile Scanning Solution for Large Documents

- 50 ppm in simplex and 100 ipm in duplex*
- Ultrasonic double feed detection
- Affordable A3 scanner for moderate daily throughput
- One Touch scanning to any of 9 destinations at the touch of a button
- Create searchable PDF files making scanned documents easy to find
- Automatic image enhancement tools without the need of user intervention

* Landscape at 300 dpi b/w & greyscale

Be More Productive

The Xerox® DocuMate® 4830 scanner is an effective way to index stacks of large-sized documents and import them to a content management solution in a single step. The DocuMate 4830 offers an attractive price, outstanding performance and exceptional reliability for corporate workgroups and departments, and small or medium-sized businesses.

The DocuMate 4830 has a friendly interface that allows the user to simply insert their document, and then press the Simplex or Duplex button on the front panel to initiate scanning and automatically email, print, convert or share their file. The buttons are preset at the optimal resolution, colour depth, file format and paper size for common scanning tasks, but of course can be easily changed at any time.

Ideal for document management, the DocuMate 4830 includes software tools to edit, crop and retouch scanned images and organise the files into folders. With the touch of a button, users are able to scan and automatically store, OCR, print, attach or view their documents in a range of locations from the desktop to the cloud.

Secure and Reliable

Documents are the substance of communication, reference, negotiation and execution of contracts, laws and evidence. Fast, reliable and cost effective document imaging solutions like the DocuMate 4830 provide almost immediate return on investment when implemented as part of a secure document capture solution.

Regulatory compliance requirements have dramatically increased the need for companies to implement secure and reliable records management. And document capture solutions have become essential to meet the everyday document imaging needs of paper intensive offices.

Businesses in the healthcare, transportation, and industrial manufacturing markets, as well as law offices, courts, clients and administrators who handle and manage substantial quantities of paper will immediately appreciate the functionality, speed and low cost of this capable scanner.

Xerox® DocuMate® 4830 Scanner Software Solutions

Visioneer®

OneTouch

OneTouch is an easy-to-use utility that connects the DocuMate® 4830 with a powerful set of scan settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, Microsoft® Word, your printer, a file folder, or to one of many other destinations.

Acuity

Acuity enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and dynamic thresholding, Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

DriverPLUS

DriverPLUS is a new generation of driver technology that is based on the TWAIN™ 2.3 specification, which provides advanced features and greater reliability for both users and system integrators. DriverPLUS combines

the features of advanced 32- and 64-bit native Windows®-based TWAIN and WIA drivers, plus new Acuity optimisation software and a sophisticated user interface.

Nuance®

OmniPage® Ultimate

OmniPage Pro provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

Power PDF

Nuance PDF Converter is the smarter PDF software choice for businesses. Combining powerful functionality, superior Microsoft Office® support, built-in intelligence, DMS integration, and intuitive ease of use, Nuance PDF Converter provides everything you need to create, convert, edit, assemble, and securely share PDF files for increased productivity, enhanced collaboration, and improved compliance.

Office Gemini®

Dokmee Capture

Dokmee Capture high production scanning software provides all the features required for document capture, processing and reporting. It allows businesses both large and small to easily convert their scanned documents into digital files, capture images and data contained in them, and then transform it into organised searchable information. This mission-critical business information is then placed into a centralised location to be easily searched, stored and retrieved when needed. Dokmee Capture is the perfect answer for companies in any industry needing to catch up on a backlog of converting paper files to electronic images.

Minimum System Requirements

- Pentium® IV or equivalent processor
- Windows 10 / 8 / 7 / Vista® / XP®
- 2GB RAM
- 350 MB available hard drive space
- DVD-ROM drive
- USB 2.0 port

Box Contents

- Xerox® DocuMate® 4830 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- User's Manual
- DVD-ROM including:
 - User's Manual
 - Nuance OmniPage Pro
 - Nuance PDF Converter Pro
 - Office Gemini Dokmee Capture**
 - Visioneer OneTouch
 - Visioneer Acuity
 - Scanner Drivers: Visioneer DriverPLUS TWAIN™, ISIS®, WIA

**Dokmee Capture is not supported on Microsoft Windows XP

Xerox® DocuMate® 4830 Product Specifications		
Model Number	XDM4830i-U	
Xerox Part Number	100N02943	
Scan Speed (Landscape @ 200 and 300 dpi b/w & greyscale)	50 ppm simplex / 100 ipm duplex	
Scan Speed (Landscape @ 200 and 300 dpi colour)	30 ppm simplex / 60 ipm duplex	
Scan Method	Fast duplex ADF and flatbed	
Imaging Sensor	CIS (Contact Image Sensor)	
Light Source	LED (Light Emitting Diode), instant on	
Background Colour	ADF: Grey	Flatbed: Black
Optical Resolution	600 dpi	
Output Bit Depth	24-bit colour, 8-bit greyscale, 1-bit black & white	
Interface	Hi-Speed USB (2.0), compatible with USB (1.1)	
Detection	Ultrasonic double feed detection	
Dimensions (W x D x H)	581 x 499 x 194 mm (22.9" x 19.6" x 7.6")	
Weight	12 kg (26.4 lb)	
Maximum Paper Weight	105 g/m² (28 lb)	
Maximum Flatbed Scanning Area	297 x 420 mm (11.7" x 16.5")	
ADF Maximum Document Size	297 x 2997 mm (11.7" x 118")	
ADF Minimum Document Size	102 x 105 mm (4" x 4.13")	
ADF Capacity	75 sheets (20 lb / 75-80 g/m² paper)	
Duty Cycle	3,000 pages/day
